

Early Years Spring 1

Books this half term;
We will be reading lots of the Supertato books by Sue Hendra to find out about the Evil Pea and his antics.

We are encouraging the children to write as much as possible.
Can they write a label for a picture they have drawn or help you to write your shopping list? Get those pens, pencils or crayons busy!

Nursery continue to take their socks and shoes off for Yoga and PE. Reception are now getting changed into their kits. Class 1 need their kit on a Friday. Class 2 need theirs on Wednesday. Keep practising taking clothes off and putting clothes on.

In Reception, we are focussing on addition and subtraction this half term. Try problem solving with toy cars or eating your peas at teatime. How many do you have left?
Nursery are working on counting carefully. Look out for the Maths Monkey coming home soon.

Phonics – Reception continue to work on segmenting (chopping words up) and blending (putting sounds together to say the word).
Nursery are looking at initial letter sounds and starting to build words with satpin.
Please keep practising at home.

Reception: We hope you are enjoying your reading books at home. Remember to talk about the pictures and use your key words and sounds to read more fluently. Phase 3 tricky words will be coming this half term. Why not stick the words your child finds tricky in different places in your home.
Nursery, can you continue to read and discuss lots of books. Book bags come home fortnightly with a lovely book for you to share.

Now the weather is very cold, remember your coat. Hats, scarves and gloves are easily lost so make sure your child's name is on them to help us find them when they go astray.

A big green rock landed in green zone from the Planet P.
Check out @archibaldfirst to find out what's being happening

We are taking part in Yoga Bugs sessions on a Wednesday (Nursery 1) and Thursday (Reception and Nursery 2) Has your child shown you any of the moves?

Handwashing Workshop (rescheduled)
Our school nurse is coming in to teach us the correct way to wash our hands and get rid of the unwanted winter germs.

Dates for your Diary
