

18 March 2019

Dear Parents,

Archibald First School is hosting Little Rescuers as an After School Club. This is a 5 week club and the main aim is to empower your children and make First Aid and Life Saving skills fun by giving them an understanding of how to help themselves, family or friends in an emergency.

Little Rescuers use Tumbles the Tiger, the helpful Paramedic, and Grumbles the gorilla, the mischievous explorer to help take the children through each session and all learning is child-led and done through fun, play, music and team-work.

Over the 5 week programme they cover the following;

- WK1- The Danger circle, Staying safe, the High Five rule and the postcode song. Introduction to the interactive 999 call.
- WK2- The Heart, bleeding and bandaging.
- WK3- Burns and how to help if somebody has one.
- WK4- Bones! How many we have, how they look and feel and how to help if someone breaks a bone.
- WK5- The Lungs! Recovery position and CPR.
-

Each week Little Rescuers will be fun and the children will receive take home goodies so you can also be part of the Little Rescuers journey.

Dates:

Reception: Friday 26th April – Friday 24th May, 3.15-4.15 pm

Key Stage 1 (Years 1 and 2): Thursday 6th June- Thursday 4th July, 3.15-4.15 pm

The cost of the club is £4 a week - **£20 in total** which would need to be paid through Parent Pay prior to the start date of the club.

Each club only has 15 spaces. If we have enough interest we will look to rebook Little Rescuers in the Autumn Term and those children on the waiting list from the summer will be given first refusal.

If you would like your child to take part in the club please return the slip by Monday 25th March. You will be notified if your child has been allocated a place at Little Rescuers.

Kind regards

Mrs Turner

Little Rescuers
