What were the most useful aspects of the session?

- Some really interesting tips throughout and the overall message of talking to our kids is key. I will be going on Internet Matters
- Websites + apps for further investigation
- Practical info about websites to use to control web usage. Scary stats!
- The options and programs that are available to help
- Passwords. Internet Matters. Reminding me to lock down router
- All the links to helpful sites
- The website recommendations and advice about parental controls on smart phones
- The tools that are available
- Insights to parental controls & threats
- All the links
- Very practical and lots of resources
- Where to find useful websites which will help engage with kids

What could be improved?

- N/A
- Nothing – v. good!
- Internet misuse, keep safe

Additional comments:

- Maybe share info on the school website?
- Good balance between the positive and negative aspects of the internet
- Thanks for the presentation!
- Wonderful session, very informative, fantastic presentation
- Really useful
- Reminds us of importance of how our devices are set up
