

Early Years: Summer 1

This term, we will be finding out about lots of different jobs that people do, and thinking about what we would like to do when we grow up.

As the weather hopefully gets warmer, we will be learning about the changes that happen in Spring. We will be looking for signs of Spring around the school.

We will be inviting mums, dads, grandmas and granddads to come and tell us about what they do and share some of their skills with us in **Sharing Week**. We hope lots of you will come and share!

We will continue to have weekly PE sessions. We are really proud of how independent the children are at getting dressed and undressed. Keep up the good work!

We will read lots of fiction and non-fiction books to find out about different jobs to give us ideas of what we would like to be when we grow up!

We will use our role play areas to explore different careers and jobs. Through this role play, we will continue to develop children's communication and language skills.

Reception classes will be starting 'show and tell' sessions. Different children will be invited each week so look out for your child's invitation in their book bag. We look forward to seeing what they will bring in to show us!

Maths is an integral part of our day in EYs. Although Reception children are beginning to record more formally in some activities, children will still be participating in a wide range of practical maths activities involving numbers, shape and measurement.

Reception children are doing really well with their reading. Please continue to read at home with your child and practise their tricky words.

The Nursery classes are really enjoying our 'dough disco' sessions! We will continue with these as well as finding opportunities for mark-making, including writing our names. Reception will continue with weekly handwriting and regular writing sessions.
