

In the Event of Closure

We have no plans to close, however, if schools are directed to close by the government we will follow the advice given as well as consulting with the other schools in the Trust.

These are some steps we will take:

- Activity leaflets are ready to go home with the children.
- The activity leaflets will be uploaded onto the school website for you to access at home.
- Ideas and messages will appear on Twitter @archibaldfirst and on the school website www.archibald.newcastle.sch.uk

Communication

Communication will continue via

- Twitter @archibaldfirst
- Website www.archibaldfirstschool.org.uk
 - School Letters page
 - School News
- Teachers2Parents Text service

PLEASE NOTE: The school phone number and admin email address will not be in use.

The Key Message

Until further notice, if your child has a cough and/or a high temperature, they should be absent from school for at least 7 days and should follow the self-isolation guidance:

www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-people-with-confirmed-or-possible-coronavirus-covid-19-infection.

Please remember to inform school of the absence and let them know that you are self-isolating. If children become unwell while at school, we will contact you to come and pick them up. School staff will follow the same guidance and therefore we expect there to be an increasing number of staff absences while schools remain open.

Thank you for your support and understanding.

Yours sincerely

Mrs R Turner
Head Teacher

Having fun, achieving excellence.

Successful learners. Confident individuals. Responsible citizens.
