

Reception Library Project

Each week Nursery children received a reading folder whilst Years 1-4 visit the library fortnightly. **We are therefore setting up a library for Reception!**

Do you have any picture, poetry or information books suitable for Reception which are no longer wanted / needed?

Are they in good condition?

Any donations would be gratefully received. Please send in any donations between 23rd and 27th March to the lower hall where we will have a collection box.

Thank you
