

Phase 2 Words

Your child is now ready to learn these words. As your child is introduced to the words they will be sent home in sets in their word books.

We hope that your child will be able to read all of these words on sight reading each word quickly and confidently.

The black words are decodable as they can be sounded out. As your child learns to recognise these words they are able to use their phonics to sound out the letter sounds and blend them together to read the word. The red words are 'tricky' words which the children need to learn to read on sight.

We have included two copies of the grid as you may wish to play games like snap or matching pairs.

Phase 2 Words

Your child should now know all of these words and be able to read them quickly and confidently. Keep practising them as we move onto the next set of words.
