Dear Parents/Carers,

Wildlife Superheroes Project: Year 1 Bee Workshop

This year, from Monday 7th June, the whole school will be taking part in Eco-Week. This is designed to be a really informative and creative week for all involved.

Year 1's theme will be all about BEES! We aim to raise awareness of the importance of bees to our world and encourage the children to be #ResponsibleCitizens.

To expand our learning, we will be taking part in the Wildlife Superheroes Project, where we will talk about bees, look at a virtual hive, and collect pollen from flowers. We will also learn how to waggle dance! This will occur on Tuesday 8th June 2021.

On this day, please consider the following for your child:

- Suitable outdoor clothing in line the weather
E.g. coat, gloves & (sun)hats – no uniform will be required. Please note: shoulders must be covered irrespective of weather.
- Suitable outdoor footwear for your child to change in to
E.g. old trainers, boots or wellies. Please note: toes should be covered for safety.
- Please cover any cuts on children's hands with plasters beforehand.

To allow your child to take part in the project, please complete the consent slip below and return to **admin@archibald.newcastle.sch.uk**.

We also hope this week will be aspirational for the children in terms of roles or jobs they might enjoy when they are older. If you have any expertise in relation to sustainability, that you would like to offer and share with us, please do let the Year 1 team know. This can be done by emailing the school office on admin@archibald.newcastle.sch.uk with the reference FAO Year 1 Team.

Please return the attached slip no later than Monday 24th May 2021.

Kind regards.

Miss White
