September 2021

Dear Parents,

We have again been contacted regarding the inappropriate parking of cars on Archibald Street. This is particularly evident at the far end of Archibald Street where families of Archibald and/or Gosforth Junior Academy continue to idle vehicles, block residents' driveways and park on pavements.

Very recently, two children from Newcastle schools have been left with life changing injuries including the loss of limbs due to the driving and parking around their schools. We cannot continue risking this happening to a member of our school community or a local resident.

I have attached an image sent to us of a car blocking the entire pathway and forcing our children onto the road. Please think before parking.

Most importantly please continue to be careful as your safety is of paramount importance to us.

Kind regards

Mrs Turner
