Dear Parents and Carers,

Archibald First School has registered for the 39th Children’s Cancer Run 2022 on Sunday 15 May. The Children’s Cancer Run is the main fundraising event for the North of England Children’s Cancer Research continuing to look at the causes and treatment of Cancer in childhood in our children here in the North-east and sharing the information beyond, building the reputation as one of the best research units in the world. This is a charity that is very close to the heart of school.

You will see that there are 3 options: the 5-mile, 3-mile and 1-mile events are open to all ages, great fun whatever the weather, and culminate in a walk (or dash if you have the energy!) across the line to claim your commemorative medal and legendary picnic supplied by Greggs. There is also a limited-edition t-shirt for all runners aged 16 years and under!

We would ask that **families apply direct to the run and sign up to join the ‘Archibald First School’ Team**. This can be found in the drop-down menu after selecting ‘yes’ to the question, ‘Are you running for a school?’ or you can type in *Archibald First School*. The school will be then given a time slot to meet.

<https://register.enthuse.com/ps/event/ChildrensCancerRunNewcastle2022>

Adults do not need to officially enter, however **all children entered must have a parent with them** as school will not be responsible for any children on the day. Parents of older children who are prepared to allow them to run unaccompanied must still be responsible for them at the beginning and end of the run. As always, we will see you when you finish the course.

If you sign up as a family or for your children / child, please return the slip below to school by 31 March to let us know who we will see on the day!

Kind regards.

Miss White
Deputy Head Teacher

Children’s Cancer Run 2022

Let us know who will be joining us on 15th May 2022 and which run they will be taking part in!

Name of Child	Class	1-Mile, 3-Mile Or 5-Mile Run?

Having fun, achieving excellence.

Successful learners. Confident individuals. Responsible citizens.
