

Hi parents/carers,

With summer fast approaching (even if the English weather doesn't seem to know about it yet!), we thought it was time to tell you all about Ladybird Children's Nursery Holiday Clubs!

Our Holiday Clubs offer a safe and caring environment for children aged 3 - 11 years old throughout the summer holidays, giving you complete peace of mind when it comes to keeping your little one entertained. Running every week from 25th July to September 2nd, we provide engaging and educational activities to get children excited to learn - without even realising they're learning!

This summer we are running two clubs, one in Newcastle School for Boys, Gosforth and one in Ladybird Children's Nursery – Scotswood.

We have so many exciting activities planned and can't wait to get started! Each week is an opportunity to expand children's understanding of the world around them through gardening activities and nature trails, cooking and baking, sports challenges, and local field trips!

Click here to book your place now [Parent and carers childcare booking system \(childcare-online-booking.co.uk\)](https://parentandcarerschildcarebooking.co.uk)

Remember when you are booking to select the correct venue.

And if you have any questions about our holiday care, please don't hesitate to get in touch with us on the details below.
