

25 May 2022

Dear Parents and Carers,

## **Re. Archibald First School Parent, Teachers and Friends Association (PTFA)**

### **Who are we and what do we do?**

We are three parents who between us have six children at Archibald and we took on the PTFA in April 2022. After a few years of not being able to organise events we are hoping to reinstate some of the old favourites and a few new social activities to raise money for educational and fun purposes for our children.

In the past, money raised by the PTFA has funded the amazing Playground Project, creating an improved outdoor space at Archibald including the daily mile track as well as funding other sporting and play equipment to be enjoyed by all. PTFA funds are also used to buy backpacks for all reception children and support trips and activities that the children would otherwise not be able to benefit from.

We feel that Archibald is special because it has a real community feel. We hope that our events will help to bring everyone together and we look forward to seeing as many of you there as possible.

### **How can you help?**

In order for us to run our events and fundraising activities we do need additional support from the Archibald community. If you would like to become involved on any level, we are looking to set up a database of willing volunteers. You are under no obligation to help at every event! A small donation of your time, manning a stall at a fair, organising a cake sale, helping us get raffle prizes, baking cakes, making things or putting together packs that we can sell, will always be gratefully appreciated.

We've found that helping out at PTFA events is a great way to meet other parents and to get to know a bit more about the school.

Our children are only at school for a relatively short time. PTFA-run events such as school fairs, discos and other social events will be remembered fondly by our children for a lifetime. The equipment and resources the PTFA funds make learning even more engaging and fun. Help us continue to create lasting memories for our children.

If you are able to offer any support please complete this form:
